OUR IMAGE SERVICES

Color Analysis

You will discover which colors to use to convey particular messages about you and which colors to avoid. A 60-minute consultation utilizing the twelve-tone draping process will identify your optimum color palette for clothing, makeup, and hair color. Cost is per each one-hour session and an additional fee for your personal book of color.

Closet Consultation

Nancy will lend an unbiased eye to your entire wardrobe assortment. Categorizing your current wardrobe into what to wear, alter, or donate. She will go through your entire wardrobe weeding out the old and inappropriate clothes, and create new outfits with the existing clothes.

Image Assessment

This service will help you identify the styles of clothing best suited to enhance your physical features and personality. First, Nancy will analyze your appearance behavior and communication skills. This is followed by a series of questionnaires and action steps to identify what fashion fits your personality.

During this session you and Nancy will figure out what category of style works best for you. You don't need a whole new closet - you just need a shopping trip!

Image/Shopping Package

The perfect gift for any occasion. Imagine, getting a gift that includes having a full shopping day planned out. You don't have to worry about the stress, the headache, and the hassle or where to go and what times to go... it's already done for you! This package includes not only an image assessment but a three hour personal shopping trip. Based on your shopping needs, Nancy will plan out a shopping trip to fit your style and your experience.

From stores to where to eat for lunch - Nancy has you covered!

My Private Stylist

Teaches everyday women how to become their own personal stylist! Together with Nancy, you fill out the private stylist platform for you. This tool will teach you what to wear and how to flatter the shape of your body.

- How to work fashion to your advantage by knowing what to buy and how to coordinate it.
- How to break a garment down into its style elements to instantly be able to eye an outfit or garment with the eyes of a stylist.
- How to stand out in the crowd and attract social and professional opportunities through pleasing and positive visual images.

Personal Shopping

Nancy will provide a personal shopping experience based on your wants and needs! Nancy will pre-shop based off the first consultation and from that point, there will be a set time and place to meet. Together, you and Nancy will shop for your wardrobe based on your style needs at designated vendor resources. During this experience you will find everything set up for you and this will allow you to have a stress free shopping experience.

A bonus to this service is Nancy is an expert in fit, fabric, color and style personality.
